#### What is a monthly cap on unarranged overdraft charges?

- 1. Each current account will set a monthly maximum charge for:
- (a) going overdrawn when you have not arranged an overdraft; or
- (b) going over/past your arranged overdraft limit (if you have one).
- 2. This cap covers any:
- (a) interest and fees for going over/past your arranged overdraft limit;
- (b) fees for each payment your bank allows despite lack of funds; and
- (c) fees for each payment your bank refuses due to lack of funds

#### When you don't have enough in your account

If we receive a request for a payment but you don't have the funds in your account to cover it, we will either:

- I Give or extend an unarranged overdraft and make the payment
- Decide not to make the payment

We'll charge a flat fee of £10 for each payment made and for each payment refused. If deducting interest causes you to go overdrawn or increases your overdraft, we'll charge interest on the new balance, but we won't charge the £10 fee for payments made. Interest will accrue daily on the overdraft balance (excluding any default sums) and will be applied to your account monthly.

We may introduce new charges under this agreement on giving you not less than two months' written notice. For more information please see sections 3 and 10 of "Our Service Relationship with Personal Customers".
